

West Coast Racing invites you to run all makes & models at speed on the Willow Springs road racetrack in Rosamond, just north of Lancaster. Jim and Cherie Saxton host both Pantera and Ferrari clubs for this two day event twice a year. TPOC helps registration on the 5<sup>th</sup> as a fund raiser (please volunteer). So, bring your car and experience the fastest track in the west (often the site of new car testing as seen on Speed Channel). The cars are divided into 4 classes based on your skill level from pro to novice (instructors provided) and car preparation. Or, come and make the TPOC treasury grow by helping with the registration and enjoy watching some very fast, expensive cars race.
