**Jack DeRyke's Article** is included in his latest newsletter recording what actions the Board took. Also included is his perspective on the role of POCA and statements from the candidates for the coming elections as required by our by-laws. We welcome back both he and Mike Haney.

**Tech Session 2** was directed by John Maloney. We were able to get Mike Hampton's GTS fully serviced and ran out of time for another car. Lesson learned was to be sure to retrack the pads fully before trying to mount the calipers. Let's ask John to write up the procedure for inclusion into our tech section of the OCPantera web site.

Bill is here as the official donut holder while Greg removes the passenger side bearings. Mike and his son watch intently. Al passes tools along as Bob samples the coffee. Greg then shows us his old fashion hand job technique. I recall this from gas station attendant days back in 1961.

We nearly forgot the driver side, but John uses his role as director with gusto. Food is the source of bondless energy for the gang. These 10 inch wheels with GTS inserts are a great sight. Let's find a set of 10s for Bill's car. Isn't 10x15 required for all white Panteras?

**Jay Leno's Garage Tour** is not possible. Judy McCartney and Mike Drew report, "He got nailed by the fire Marshall for not being in compliance with safety regulations for a place open to the public. He is therefore no longer allowed to open his garage up to the public for tours as he did in the past. He was very apologetic about it, but the simple fact is that he would have to spend tens of thousands of dollars in building upgrades to make it 'legal' to open it up to tours."

**Valentine's Day 2017 Brunch** help is needed. Gayle [gaylehuff32@gmail.com](mailto:gaylehuff32@gmail.com) and Gary 714 794-7095 are looking for a new site for this yearly gathering. Call them if you know of a suitable one.

**John Maloney is acting Secretary** as Bill Wright continues his education. Bill believes in learning for life.

**Nominations for Officers** are open. Please give notice to John Mahoney should you wish to serve the club. Current Officers are nominated to run once again but they encourage others to join them.

**TPOC Board proposes expansion of Member at Large seats.** Two more positions are to be created to better meet the needs in today's environment. The number moves to a total of five if approved by the membership in the November election cycle. The text of the actual proposal is forthcoming for your review.

**General Meeting** see opanteras.com web site for location. 17th St Bar and Grill is to be our general meeting place. It is at the site of the old Zitons at 17320 E 17th in Tustin, located near the 55, 5 and 22 fwys. We normally order our food at 7PM and begin the meeting promptly at 7:30PM on the third Wednesday of each month except December. Scott is likely to have a video treat for us all.
