September Past Events

We kicked off the summer with a fun July Pantera Poker Run, and wrapped it up with an ice cream feast at Watson's Ice Cream Parlor in Orange! There were 37 mouths to feed on this Sunday afternoon, and 37 smiles afterward on our way out the door. Great opportunity to socialize with fellow ice cream loving Pantera owners, as well as keeping the kids and grandkids connected to the Pantera community. What better way is there than to associate Panteras with ice cream!

PI Motorsports Pantera 4Sale

PI Motorsports has an early Pantera for sale this month. This

car has been locally owned here in the Brea area for many years. Cosmetically, the car presents very well, but it hasn't been driven much recently. 68,250 miles.

If you or a friend are looking for a Pantera to drive and enjoy, this might be your opportunity! They're asking \$74,900. See their ad on EBay or call [714-744-1398](tel:714-744-1398)

It's Election Time!

No, this isn't another "Dump Trump" political pitch! We're having Team Pantera OC Elections for your 2019 Board. Here's your opportunity to get involved and contribute to your Chapter.

We have many places for you to share your talents. Don't just stand on the sidelines....get in the game and make a contribution. You could even be the editor of this newsletter! Look, if the current editor can do it.....surely you can!

Make Team Pantera OC Greater next year.
Call Scott [949-683-6264](tel:949-683-6264) and tell him you're ready to help!

Time is running out if you want to be included in Drive Your Pantera Day. You and your Pantera can still be included in an upcoming issue of *Profiles*. You'll find the Team Pantera OC entries [here](#). With about 30 total entries from all of POCA, this is shaping up to be a fun event.....fun driving your Pantera, fun going to interesting places, and fun sharing the creative photos.

Orange County is blessed with great collector car weather. Drive Your Pantera Day was established as the last Saturday in August for those north or east of us that experience fall conditions....that means wind and rain and snow. Places like New England boast about their fall colors, but they park their Panteras in heated garages for the winter.

Panteras are meant to be driven. Trailers are for boats and race cars! Time to show the rest of the world why we live and drive our Panteras all year long!

Jokes for Car Guys

I've asked Bill Wright several times if he knew any good Pantera jokes.....he said he was still working on it!
(Sorry Bill :-)
