Pandemic Edition #5

Welcome OCP members!

I hope you are all safe and well during
stay at home.

Your board of directors is still working to
keep OCP moving forward through
changing times.

Do you have any ideas, suggestions, or
input to help us help you?

How about a meeting on a Saturday in a park?

We can distance (we don't like people within 6 ft of our cars anyway), have a TUAYP with the car present, quickie tech sessions, etc.?

Board meetings are the first Monday of the month, and any member is invited to attend and speak.

Currently BOD meetings are being conducted via conference call.

If you want to sit in or speak, please

contact myself, or John Maloney

Drive Your Pantera Day is here again!

Scott Couchman and John Schirmer have put together a meeting place for those who want to get out and get a picture. If you can't get there, just take a pic anywhere, even if it's a drive from garage to driveway.

POCA newsletter listed it as 8/22, but it has always been last Saturday of August. So, do one or the other , or both! send pics to Mike Haney to be published in Profiles.

You can post them to OCP FaceBook page and we will send them along.

Do you believe the story?

Alex Miladinovich qualifies the PI Motorsports "Hot 4 Teacher" funny car again at Indy.

3rd time to qualify in a shortened season.

Good Job, Guys!

So, I was wrong last month about U.S. Nationals.

Normally, NHRA at Indy is the U.S.Nationals.
Not the U.S. Nationals, but one of several races run
at Indy. Seems all racing series have put their
schedules into a blender. NASCAR, IndyCar and F1
have been running several times in a row at the
same track.

Qualifying for 3 events is a big deal.

Calendar is still waiting on current events.

We still have hope of holding the Pantera
Palooza in early November.

Currently working with the country club on our

annual Christmas Brunch, which is still
on schedule for now for 12/13.

Our Gondola Getaway is set for 12/27 @5pm.

We are pleased to announce our upcoming
General Meeting and Event!

We are set to meet Saturday October 3rd at

Hillbank MotorSports

the Shelby/Superformance Headquarters!

We get to tour the facilities and have our general
meeting sitting amongst a sea of Cobras and
Ford GT's.

The shop is all set up for presentations and we
can easily distance.

They are in the Irvine Auto Center near El Toro
Y

We plan to meet around 10:30 which should be
time to cruise up from SC Cars & Coffee.

More info as we get closer.
