January 2021 Newsletter*

Happy New Year OCP members!

I hope you are all safe and well.

Board meetings are the first Monday of the month, and any member is invited to attend and speak.

Currently BOD meetings are being conducted via zoom.

If you want to sit in or speak, please contact myself, or John Maloney

Glen Chancellor racerglen@aol.com
John Maloney jgmaloney@roadrunner.com

If you wish to speak, we need advance notice to put you on the agenda.

Please, help us with your ideas.
We are looking for meeting locations, event venues, etc.
You can post on OCP FaceBook page, as well.

Calendar is still working on current events.

We are working on events and meeting locations to conform with changing COVID restrictions.

We have are looking to reschedule the Pantera Palooza hoping for June?

National Collector Car Day is July 9.

Long Beach Grand Prix is now scheduled for
September 26.

I
I'm Glen Chancellor, new president of OCP

I look forward to meeting the many members I
have yet to meet.

Given time, I may even remember your name.

With the COVID situation we are working with a

lot of changes, but need to look for opportunities,
as well.

(Who thought face masks would be a growth
industry?).

I hope we can find ways to help each other and
get more Panteras back on the road.
You can call me a hypocrite on this one as my car
is still down, but I have been turning some
wrenches recently.

I hope we can get more members to come to our
events and meetings.

We had a general meeting in Oct. on a Saturday
morning. The Saturday morning format was a hit
with many members, should we continue looking
toward Saturday mornings?

We need to work on venues for general meetings
that will work with health regulations.

I appreciate feedback on how I can better help
the club going forward.

Thank You, for your support.

Due to the COVID situation, we have not
secured a location for our January 2021
General Meeting.

We are searching for a venue/location for our
January-February meeting.
Date and location TBA/TBD

We may try video meeting - keep watch for updates.

Do you have any ideas for location?

Does anyone know where Don Peak's Pantera
is?

A message from John Peak:

Hello, my name is John Peak and I am Don Peak's son. I was recently informed that my Dad's Pantera was sold without my knowing and I

am hoping to track it down. My Dad was an original member of POCA and one of the local POCA chapters in Orange County. He owned his Pantera from 1971 until his death in 2007. The VIN is THPNLL01539. Any help you can provide will be greatly appreciated.

Thank you.

Sincerely,
John Peak
