President's Message

Thank You all for your support of Orange County
Panteras.

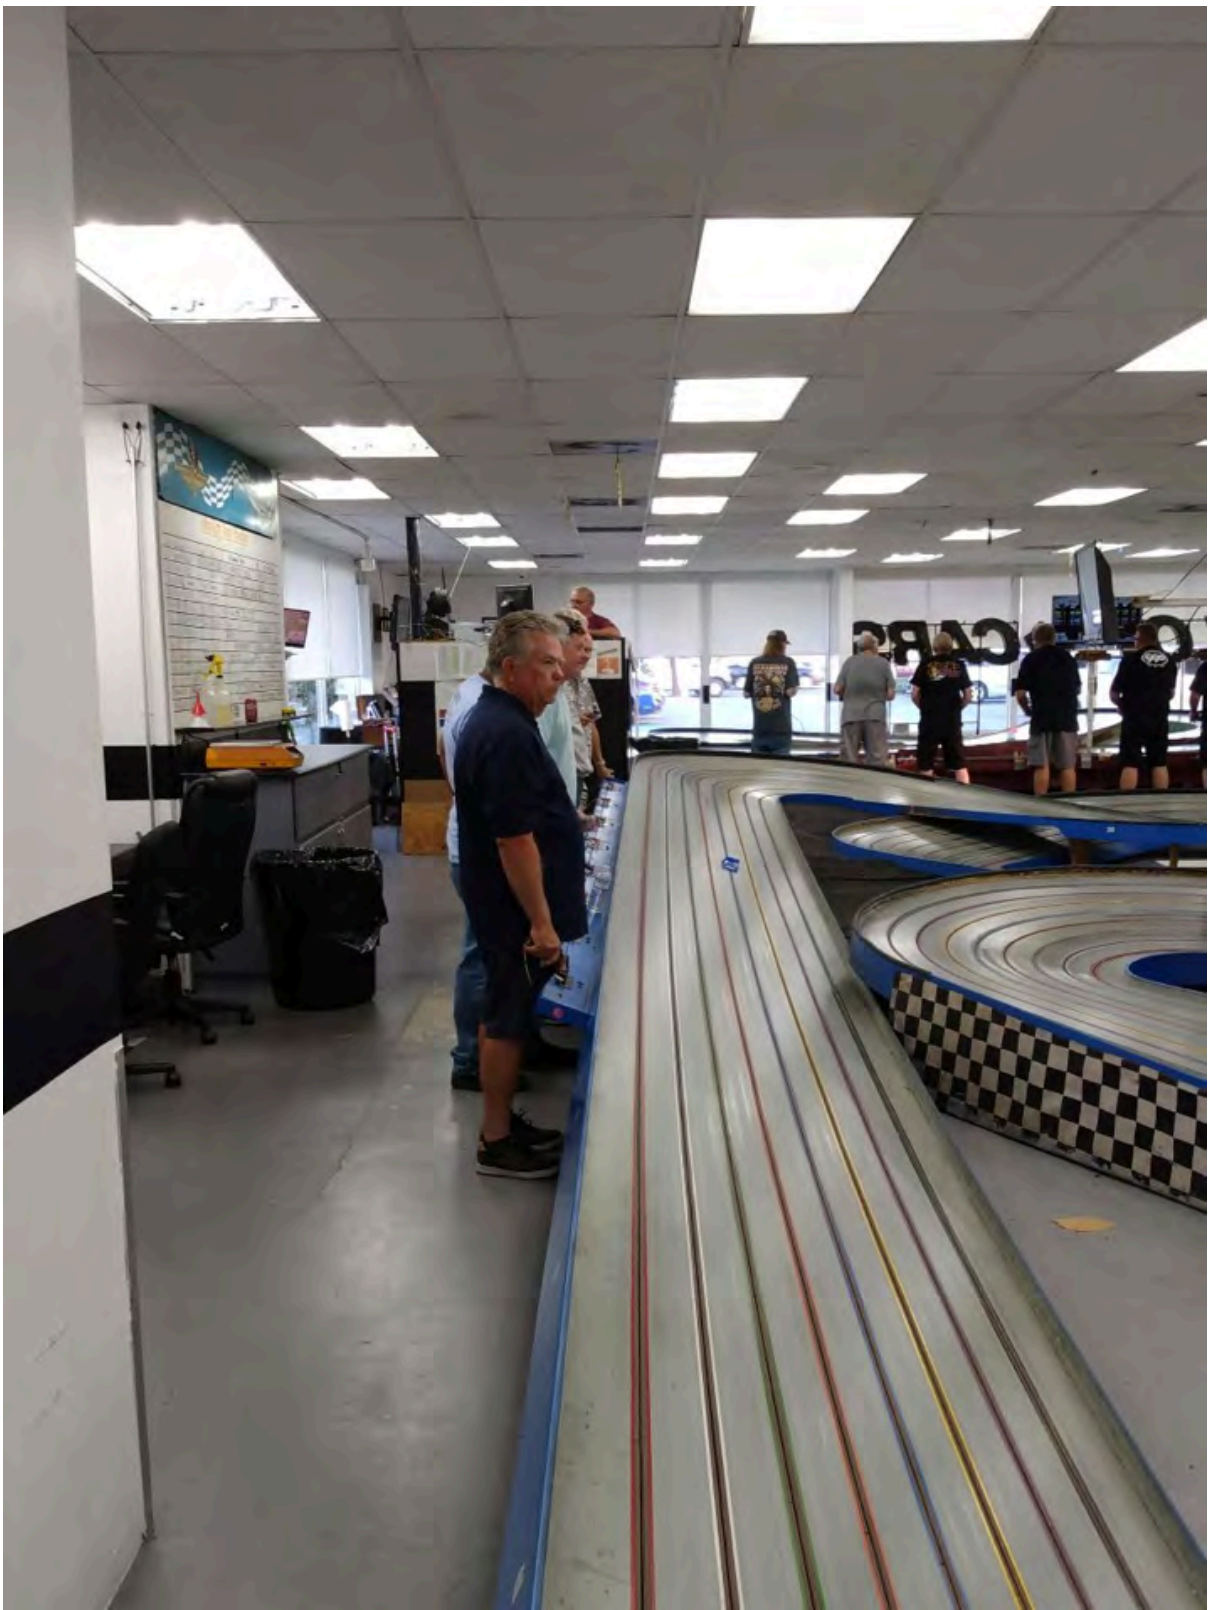

**I am still looking for feedback and ideas to get
more of our cars on the road.**

Made some progress on mine, how about you?
*I had to stop a bit for surgery in my hand, but promise to
turn a wrench soon!*

Other POCA chapters are reporting about 50% of their member
cars are on the road.

Many cars at recent sales are going into collector status.
We got to get our cars going!

We had 14 attend our Slot Car outing.
Great evening of spirited racing! (Or attempts thereof)
Congrats to winners Cary Foster, and Larry Goodnough!

To my mind, there are two sayings that go to the heart of what a Pantera is:

1. "Panteras are easily the baddest ride you can buy. No quirky purists either. These aren't toys to impress the boys at the golfclub, these are evil machines meant to be driven, spanked and put away with the aroma of burnt rubber, high octane gas and a pair of panties on the floor."
 2. "Driving a Ferrari is like being married to a prima ballerina. Driving a Pantera is like dating a hooker."
