b. President's Report - Glen -

- / We had about 20 at last month's meeting.
- / Very good interest in Steve's new transaxle.
- / We had POCA president call and big news is that there will not be a fun rally in 2024. They are hoping to support regional rallies across the country. We are ahead of the game since we are already planning the Palooza. This opens up our window for the Palooza. I heard back from the equestrian center, and they did not have a good date available in May. I have inquired about June, and they have June 1-2 open. I really like that venue; I expect it to be too expensive. I still like Mason Park just fine if things work out but do want to explore options. We talked about multiple chapters cooperating on multi-day events. Maybe Palooza on Sat. or Sun. and something in San Diego the other day. Foothills Puddingstone event works too. I doubt a multi-day event will happen. Foothills would be able to do something, but not the other chapters. Our best bet will be to get other chapters on board to help with the Palooza.
- / The Northeast chapter will be doing big event at Ford HQ.
