We need to hear from YOU!

I am on the mend and extremely grateful for all the well wishes!

I let go of the back brace, and it now only hurts when I sneeze.

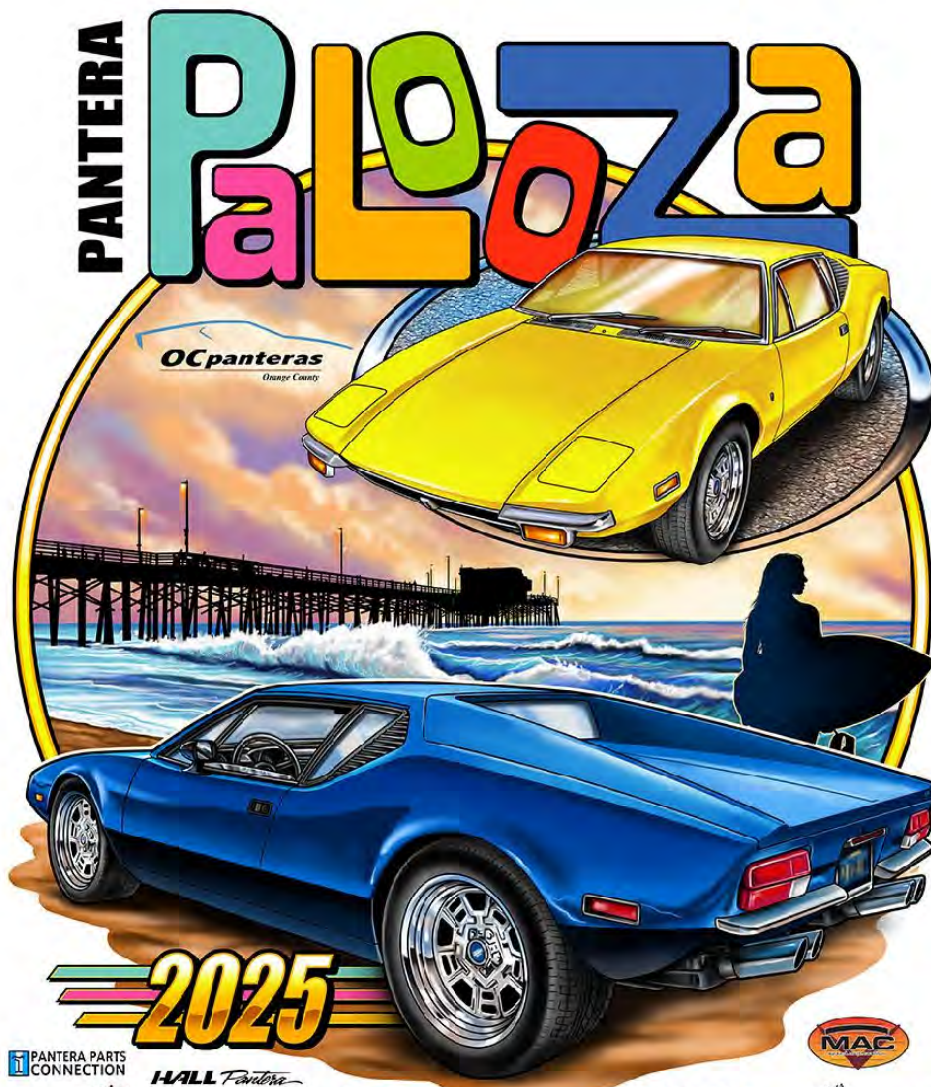

**I've been diagnosed with epilepsy and can't drive for a while but should
do well after I adjust to all the new medications.**

I do expect to be at this month's meeting and look forward to seeing you!

**I want to express my gratitude to our board members who have been
running full steam getting the Palooza going!**

Larry Goodnough has been tireless, leading the group and organizing the vendors.

**My medical issues have held back my efforts and I've learned to delegate.
That's where I take credit for their work, right?**
